

British Masters Indoor Championships Lee Valley Sat 21st & Sun 22nd February 2026

There were two gold medals for club athletes at this weekend's British Masters Indoor Championships at Lee Valley this weekend.

Chloe Williams had started her indoor season well when she improved her club 60m hurdles best last month at the London Indoor Games and she ran even faster on Saturday to not only improve her club W35 record but to lift the British Masters crown almost taking a tenth of a second off her earlier mark with 8.75s. She was pushed all the way by former international Jessica Tappin, who went on to add 400m gold to her hurdles silver.

The second national gold came from pole vaulter Luke Williams who improved on last year's silver medal to win M35 pole vault gold with a season's best clearance of 3.68m.
